A Study of Galatians

Don Dell

Beginning on January 8, Don Dell will lead a 4-session study of Paul's letter to the Galatians, using the Book of Faith series published by Augsburg Fortress. The four sessions are titled:

- Jan. 8 What happens to people pleasers?
- Jan. 15 Is there one, and only one, Gospel?
- Jan. 22 So....what happens about God's rules now?
- Jan. 29 How do we live by the spirit?

It has been suggested that this study could have been titled: "How to meet God, transcend religion, and live in grace and power forever!" Some authors consider Paul's letter to the Galatians the most radical book in the New Testament. In it Paul is at his most youthful, least understated, and most non-compromising. It may be the clearest confession of the Christian faith ever written.

Coming in February – *The Sacrament of Holy Communion*
