

***ENCOUNTERING GOD IN SCRIPTURE –
Finding Yourself in the Story of God***
10:45 Movie Time in the Library

We call the Bible “holy” yet often neglect it. Its humble origins worry us.
Its ancient world view sometimes baffles us. Its claim on our lives challenges us.

“Encountering God in Scripture” is a video series of questions and Bible stories by professors from Luther Seminary in St. Paul MN who help us understand this book as an encounter with the living God. They will lower our anxiety and raise our expectations. Listen as they grapple with questions; then join with these leaders in studies of this amazing story of God's action in the world.
